Subject: Resignation Letter

Dear Sir,

I am writing to formally resign from my position as Web Designer at Rock Technolabs Pvt. Ltd., effective from 30 June 2026.

Working with the company since April 2022 has been a valuable learning experience for me. I sincerely appreciate the opportunities, guidance, and support provided by the management and my colleagues throughout my journey here.

During my time at the company, I gained practical experience in web design and development, including Shopify, Magento, HTML, CSS, JavaScript, and frontend technologies. These experiences have helped me grow both professionally and personally.

I will ensure a smooth handover of my responsibilities and complete all pending tasks before my last working day.

Thank you once again for your support and encouragement. I wish the company continued success in the future.

Sincerely,
Bhavesh Goswami
Junior Web Designer
