

Recommendation Letter/Letter of Appreciation

TO WHOMSOEVER IT MAY CONCERN

It is with great pleasure that we recommend Mr. Bhavesh Goswami for future employment opportunities.

Bhavesh has been working with our organization as a Junior Web Designer since April 2022. During his tenure, he has consistently demonstrated strong technical skills, dedication, creativity, and a professional attitude toward his work.

He has hands-on experience in Shopify, Magento, and HTML-based projects, along with strong knowledge of HTML5, CSS3, SCSS, JavaScript, jQuery, Bootstrap, Tailwind CSS, Python, Django, SQL, and Figma to HTML conversion.

Bhavesh is a hardworking and quick-learning professional who always shows enthusiasm for learning new technologies and improving his skills. He has successfully handled multiple web development and design tasks with responsibility and attention to detail.

Apart from his technical abilities, he is also a good team player with positive communication skills and professional behavior. His contribution to our organization has been truly appreciated by both team members and clients.

We appreciate his efforts and dedication and are confident that he will be a valuable asset to any organization. We wish him continued success in his future career and endeavors.

Sincerely,

Rahul Sharma
