Subject: Letter of Interest for Full Stack Developer Position

Dear Mr. Amit Patel,

I am writing to express my strong interest in joining TechNova Solutions Pvt. Ltd. as a Full Stack Developer. With a Diploma in Information Technology and professional experience as a Web Designer at Rock Technolabs Pvt. Ltd., I am eager to contribute my technical skills and passion for web development to your team.

Since April 2022, I have been working on Shopify, Magento, and custom HTML-based projects, where I gained practical experience in frontend development and responsive website design. Along with frontend technologies such as HTML5, CSS3, SCSS, JavaScript, jQuery, Bootstrap, and Tailwind CSS, I also have knowledge of Python, Django, and SQL.

I am highly motivated to continue learning and growing as a developer. I enjoy building modern, user-friendly, and efficient web applications while continuously improving my technical and problem-solving skills.

I believe my dedication, quick learning ability, and passion for technology would make me a valuable addition to your organization. I would appreciate the opportunity to discuss how my skills and experience align with your company's goals.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,
Bhavesh Goswami
